

P.A.IN – People Against Incineration

Minutes of the meeting held on 16th August 2007 at Rainworth Village Hall

Present: As signing-in sheet

Apologies: S. Downen, H. Holt, J. & G. Kitts, A. & L. Tift

The meeting opened at 7.50 p.m. The minutes of the previous meeting having been circulated in advance, were agreed and accepted.

There were no Matters Arising.

Bernard Thompson (Chair), suggested that we should attempt to secure another speaker for a future meeting. It was proposed and agreed that we should ask John Beresford from N.A.I.L. (Nottingham Against Incineration and Landfill) to address the next meeting, if possible.

The meeting then continued with an interesting presentation of our web site by Trevor Stevens. This was well received and prompted a number of questions on its contents.

There was no Other Business and the meeting closed at 8.50 p.m.

Date of next meeting – Thursday 27th September, 7.45 p.m., Rainworth Village Hall.
